

Application Form

Idaho State University Archaeological Field School 2009

All field school applicants must attach a copy of school transcripts and a doctor's medical release stating that they can participate in rigorous fieldwork. By completing this form applicants agree to abide by the Student Code of Conduct at Idaho State University, and acknowledge that any breach of that code may result in their dismissal from the field school, with all subsequent travel at their own expense.

Return this completed application to E.S. Lohse at Lohserne@isu.edu or mail to the Department of Anthropology, Idaho State University, Box8005, Pocatello, Idaho.
